almost 40 years ago john and elizabeth sherill introduced the world to the phenomenon of speaking in tongues in their book they speak with other tongues the book was an immediate success as thousands were touched by the power of this spiritual gift the hidden power of speaking in tongues again explores this spiritual experience powerfully prevalent in the early church this much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day in a day of spiritual poverty chavda challenges the body of christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift

the hidden power of electronic culture helps the church navigate its challenges and opportunities in the context of our electronic culture shane hipps interprets and explains this culture and the implications for our faith and the church this book invites us to engage new cultural realities while staying connected to our spiritual heritage

on the day after the tragic terrorist attacks of 9 11 newspapers across europe proclaimed we are all americans in many different languages crystallizing the solidarity that so many people around the world felt at that time but in the years since that beautiful friendship between americans and europeans evaporated leaving in its place a growing resentment so deep that americans traveled overseas with canadian flags stitched to their backpacks while europeans held candlelight vigils for the removal of president george w bush dell orto argues persuasively that the answer to the question of where do we go from here lies in whether non americans keep believing in the american dream only if that dream continues to be the root of america s power as this book shows it has been since the united states first stepped onto the international stage can america not go the way of all other superpowers in history down and out through analysis of thousands of western european media articles and government publications about the united states this book for the first time shows what the essence of america is to non americans and why that matters to americans in a very practical way because it sets limits to what the nation can accomplish dell orto argues persuasively that europe s united states is the revered concept america the exceptional dream that the land of plenty of opportunity can really exist that the experiment in democracy can really work for all those who choose to become americans this is a great u s asset since it makes america uniquely powerful in europe s eyes infinitely mightier than the march of marines and mcdonald s alone would warrant herein lie the uniqueness and the urgency of this book european public opinion shape s europe s reaction at least as much as u s actions do

it was never supposed to happen rylee willet feels like she s caught in quicksand she s always dealt with anxiety but the fact that her dad s a highly respected fireman bolsters her shaky self esteem and makes things okay but her world turns upside down when her best friend takes part in a reckless prank that leaves her dad paralyzed effectively destroying his firefighting career lacking the courage to confess her own part in the tragedy rylee places the blame squarely on the shoulders of her best friend and cuts her out of her life but when unexpected circumstances bring the former friends face to face she summons the strength to finally admit the truth can rylee find a way to restore not only her dad s happiness but her own as well or is it one of those mistakes that s simply too big to fix the hidden power of dandelions is an absorbing middle grade fiction novel if you enjoy engaging stories with high stakes and memorable characters then you ll love dianna dorisi winget s heartwarming tale buy the hidden power of dandelions to uncover your own secret strength today

elisa is a beautiful intelligent and empowered woman who does not know she is the daughter of charles a nasa scientist in the apocalyptic world she will face the powerful secret society the illuminati hybrids and purebreds in a relentless quest to try to finish her father s secret work and achieve the impossible the great restoration through the hidden power of the universe
